We will get in the car, drive to the dentist and park in the parking lot.

When we arrive, we will hold hands and walk inside.

When we get inside, we will sit in the waiting room until Dr. _____ is ready for us. We can play or we can just sit and wait.

When Dr. _____ is ready for us, we will walk to a room that looks something like this:

Then, I will sit in a chair that looks like this one.

I sit in the chair with my hands on my belly.

He/She turns on the light and it is bright so

He/She lets me wear sunglasses.

**I say AHHHHH so my teeth can be counted. I
open BIG like a dinosaur!**

It is very easy and then I get my teeth cleaned with a special toothbrush. It spins. The green toothpaste tastes YUMMY!

My dentist then paints my teeth with fluoride on a brush to harden my teeth and make them strong.
